

Ethical Concerns in EMS

An open discussion on navigating tough decisions in the grey areas of emergency response and treatment.

This is a free event. - All provider levels from all agencies are welcome!

Dr. Wear will be engaging in open discussions and giving insight into the ethical implications of what we do in the field each day. We expect a thought-provoking, and enlightening evening!

August 11, 2015 from 7-8:30pm

**Location: Twin City Ambulance
555 Commerce Dr.
Amherst, NY 14228**

Presented by:

We are honored to have Dr. Stephen Wear, PhD as our guest presenter!

- Co-Director of UB Center for Ethics & Humanities in Health Care
- Ethics Officer at the VA Medical Center
